

**NEW**

## KPG (Keep the Planet Green) Mophead

- Yarn made from 55% recycled PET
- Fibers are comprised of both post-consumer as well as post-industrial waste
- Highly absorbent & less lint than cotton
- Air dries in shorter time
- Requires reduced energy to manufacture
- Reduces amount of plastic waste in landfills
- Environmentally friendly
- Looped-end construction
- Available in two sizes:

Medium (00051)  
Large (00052)

*We further suggest that these mop heads be used with one of our "Bamwood" mop handles to further strengthen the green cleaning initiative. Consider the 00404, 00408 and 00453 mop handles from Greenwood Mop & Broom, Inc.*
